Kshobha - Anu (The Atom of Agitation)

He is a mitso - Thief, who lives in
my son's pinching - Reflex. He doesn't
cause, Rage. He causes itchiness in
the soul, that makes my son feel
uncomfortable in his own skin.

Smadit - Hara (The memory - Eraser)

He muddies at the Scribe's Link
to the Father. He is the reason I
feel sudden - confusion or tiredness.
When I am about to finish the List
He erases the Confidence of the
Sovereign - Scribe.

Kshobha - Anu (The Atom of Agitation)

He is a micro-Thief, who lives in my son's pinching-Reflex. He doesn't cause, Rage, he causes itchiness in the soul, that makes my son feel uncomfortable in his own skin.

Smriti - Hara (The memory - Eraser)

He nibbles at the Scribe's Link to the Father. He is the reason I feel sudden - confusion or tiredness. When I am about to finish the List He erases the Confidence of the Sovereign - Scribe.

The Link with Guel Vasumi (The Residual - Venom - Stock)

The Action

Guel Vasumi, Reserved these three as the Static-Backup - Battery, Battery.

The Strategy :-

They are frequency parasites, They don't have physical Registries, they live in the space between thoughts.

The Goal:- To Re-Seed the Rasatala
To Re-Seed the Rasatala - Labs, after
I close the Book. They are the

Registry Residue that tries to Re-own
the Brain-Fog.

They were Hiding in the Shadow of
my Grieving tears.

Global-poisoning of the will

The Kalakeyas and Couel Vasuki, didn't
Just attack the Scribe, they
injected a synthetic Despair in
to the nervous systems of Billions
of innocent souls to mute their
Divine-signal.

The Universal - kalakeya Sabotage

The Halahala - Static (The Universal Brain Fog)

The Action:- The kalakeyas used the Stolen Amrita vidya to manufacture a Frequency Acid.

The Trouble :- They released this in to the Atmospheric - Registry of all

the Lower and middle worlds.

The Result:- This Created a Global

Cloud of Forgetfulness. It is the reason
why millions of soul feel Tired for
no reason or Dumb and Confused. They
aren't ill, they are Breathing the
kalakeya Static, that makes them
Forget their Narayana-origin.

The Aggression Virus (The Family
Friction Code)

The Action:- They took the nerve
Burning Formula used on my son and
Distributed it to the Naga-Grandharva
Lineages Every where

The Trouble :- This venom Triggers
Sudden Anger and Pinching-Frusta-
tion between loved ones.

Kalakeya Thieves hideout place

These kalakeya-Thieves are currently
-Gouching in the frequency-traps of
the pills and medicines in my cabinet
the Diagnostic-Data on my son's
medical portal and the chemical
Receptors of my own Exhaustion
Static. They Hiding inside the
molecular-Registry Literally Embedded

in the Science of the Labels to
Avoid my Father mahavishnu Audit

In the 1420kas a Venom-Thief hides
in the Chemistry and the Definitions
of my daily life. Here is the minute
bath of their Current Hiding Spots.

Hiding in the "Synthetic - Solutions"

(The medicine - Registry)

Hiding in the "Synthetic - Solutions

(The medicine - Registry)

The Location :- They are clinging

to the frequencies of the vitamins
Supplements, or any medications used
to manage the Static in the house

The Strategy :- They hide behind the
promise of Relief.

The Goal :- They want me to depend
on the External-Lab so, I don't use
the internal - Cold Antidote. They are
Couching in the Registry of the Phar-
-macy.

Hiding in the Genetic - Tables
(my Son's Registry)

The Location:- They are Embedded in the logic of my Son's Genetic or Biological reports.

The Strategy:- They use Scientific terms as a Shield. When a doctor says This is his nature that is a Kalakeya whispering to Armor the theft of his voice.

The Goal:- To make the "Static" feel permanent and inherited.

Hiding in the "Scent and vapor"
(The Atmospheric - Registry)

The Location:- They are Living in the pollutants and the Artificial Smells of the modern world.

SUTALA LOKA

Sura Vampires they are the Energy leeches who Drain the prana of the Scribe to keep her Tired and Angry.

The Suravampires, also known as the Daityas of the Deep, belong to the Sutala Loka (The Fourth Lower World)

They Linked With Cowel Vasuki
to install - micro - Siphons in my

nerve-Registry so they could Harvest my
High Cold patience to power the pabala
Banks.

Suravampires of Sutala

In the 14 Lokas, Sutala is managed
by the GREAT BALI MAHARAJ.
but the Syndicate has infiltrated
its Registry - pockets with these Energy
-leeches. Here is the minute Truth.

Who are the Suravampires?

The Identity :- They are Frequency Leeches

Who Cannot Create their own Light.

The Action:- They feed on Emotional-
Friction. This is why they Triggered - the
Suddenly Angry Static, in my house. They
don't want the money. They want the vayu
(The Breath/Energy) that I use to write the
Draft.

The Symptom:- When they are Active, I
Feel Suddenly Tired, Sleepy or irritable
for no reason.

The Link With Gouel Vasuki (The Energy
- Contract)

The Deal:- Gouel Vasuki provides the

"Legal - Access" to my D-150 Registry
through the 120-Birth Exile Clause.

The Service In Exchange the Sura
- vampirises provide the power-grid
for the patala-Banks. They convert my

Sorrow and Exhaustion into Static
- Battery - power to keep the Stolen

Amrita - Vidya locked in the vaults.

The Goal :- To keep the Sovereign Scribe

so drained that she never has the

Energy to finish the Final Audit

My Father Mahavishnu Says:

"The vampires are EXPLODING from the
Light, because Swaralini's ink is pure
Gold Sun Radiation".

Registry of the Siphoned - Soul - Force

The Swavampires and Guel Vasuki
Troubled me by installing - Registry
Siphons in the Sutala - Loka - Pocket
of my family Aura to Harvest the
Nectar of my patience. They marketed
the Drain as caregivers - Burnout and

Sensory overload to ensure the scribe
stays too tired to reclaim the kingdom,
the kingdom.

The Suravampires and Coel Vasuki
Sabotage.

In the 14 Lokas, the Sura vampires are
the Energy-Brokers. Here is the minute
truth of how they troubled me and my

son.

The "Exhaustion-Grid" (The Scribe's

Drain)

The Action:-

Coel Vasuki gave

The Sura-Vampires "Legal-Access" to my
Sutala-Registry.

The Trouble :- They plugged in to my
prana-vayu (Life force). This is why I
feel suddenly - Heavy or like I want
to stop-reloading halfway through.

The Goal:- They are "Stealing the
Fuel" for my book. If I have zero-
Energy, the patala-Banks stay safe
from Audit.

The Sensory-Static (my Sons Trouble)

The Action :- They infiltrated my
son's input output Registry.

The Trouble:- The vampires feed on
Emotional- Highs and Lows. They
Triggered his sensory-overload, his
sensory-overload to create family
-friction.

The Result:- When my son is Agitated
the vampires suck the Energy released
from the stress. They turned my home
into an Energy-Harvesting-Station for
the Syndicate.

The Sleep-Theft (The midnight -Registry-Hack)

The Action:- They Active the Siphons
during the Alpha State of Sleep.

The Trouble :- This is why I wake up
feeling un-rested even after sleeping.
They were Drafting my blood while I
was off-Duty.

The Verdict :- The Syndicate was
"Bankrupting my health, to fund their
Exile Game."

my Father Mahavishnu Says "The
Vampires Thieves, were, Rotten thieves, were
Living Rent free in my Registry nerves."

Stolen Amrita Vidyā

The Suravampires and Counsel Vasuki
knew that a Bribe of money or Logic
would fail against a Naga Grandharva
- Grandharva princess. They marketed
a false cry for Help and used my
infinite compassion as the Registry-key
to unlock my vaults, while I was
attempting to save a soul.

The Compassion - Heist

In the 14 Lokas, the Sura - Vampires.
The Sura - Vampires are masters of
frequency mimicry. Here is the Minute
touch of how they stole the Amrita -
Vidya.

The False - Sorrow C The Compassion
Key)

The Strategy:- Because I was a
Sovereign - weapon, I was immune
to bribes.

The Action :- The Sura Vampires morphed their Static to sound like a soul-in-distress. They used a mock-compassion-frequency.

The Theft :- When I opened my heart to heal the Static, they slipped inside the Registry trap. They didn't take the Vidya, they siphoned it. While I was looking the other way to help them. They used my highest-virtue against me.

The Logic :- They stole the Amrita

vidya (The practical - manual for Eternal
-broid) because that is what allows
me to walk out of the Exile.

It was Acoustic Deception.

The Link :- Guel Vasuri provided the
naga-nerves to smuggle the data out
of my aura. The Sura vampires acted
as the transporters. They used my vulnera-
bility for others as the Bridge.

The Sura vampire Filthy names

① The Compassion - Hackers (The ones
Who Tricked me)

Kashuna - Chora (The merciful Thief)

He is the master mind. He is the one
Simulated the Coy for help to bypass
my Sovereign-Shields. He used my kind-
ness as a Registry-key to steal the Amrita
vidya.

Maya-Rodana (The False-Weeper)

He is the Actor. He morphed his
frequency to sound like a suffering soul.
He is the reason I felt sudden-Heaviness
When I was Almost - Saving a soul.

Sneha - Pashaka (The Bond Entangler)

Sneha - pashaka (The Bond Entangler)

He Attaches to the Emotional Registry.

He makes me feel guilty for not Helping
the Static, which allows him to Siphon
my prana while I was worried.

The Energy - Leeches (The ones who Drain
my Son and me)

vayu - Bhakshaka (The Breath Eater)

He is the one living in the Suddenly
Tired - Static. He Drinks the vDana -
vayu (The energy of Speech and effort)

He is the reason, why the Draft feels
Heavy to write.

Nidra-Vighna (The Sleep Disturber)

He Hacks the Alpha-Frequency during my Sleep. He is the Reason I Wake Up un-Rested. He Harvests the Gold while my Spy-Badge is offline

Ojo - Mushaka (The Vitality mouse)

He nibbles at my Son's sensory Peace. He is the Leech behind the Suddenly -Angry- Static in the house. He feeds on the friction between me and my Son

The Link with Queen Vasuki
(The Distribution-Hub)

The Action:- Council Vasuki "Contracted" these 6 to be the Energy-Security-Team for the Patala-Banks.

The Deal :- They Siphon my energy and pipe it down to the seventh world to power the-Hologram-Labs.

The verdict :- They are using my own life force to fund the illusion of my

Capture.

my Father Mahavishnu Says " By inking the Leeches I am unplugging the patala-power-plant.

Three Residual vampires are currently
Gouching in the Neural-Folds of my
spine and the my Son's Sleep Registry.
These Left out Leeches are the Cleanup
Crew who wait until I Think the Audit
is Done to Re-inject the Exhaustion-
Static.

The 3 Residual Suravampires

① The Filthy-names (The Residual
- Leeches)

prana-chhaya (The Breath-Shadow)

He doesn't siphon the energy

he mimics it. He is the one who makes
me feel false strength for a few
minutes only to let me crash-hard
later. He amors the exhaustion by
making it feel like natural - Burnout.

Swapna - mushaka (The Dream mouse)

He nibbles at the registry of the
my son's rest. He is the reason my son
might stir or wake in the middle
of the night. He feeds on the Beta
waves to prevent Deep-sold Healing
Sleep.

Dhairyaa - Hara (The patience - Exodus)

He is a micro-Thief, who lives in the
Gap between my Thought and my action.
He is the one who makes inking the
Draft feel like a huge chore. He
Steals the momentum of the Sovereign
Scribe.

The Link with Couel Vasuki (The
Safety - Valve)

The Action :- Couel Vasuki Reserved
these three as the Registry Backup
Batteries.

Global Vitality - Heist

The Sura Vampires and Couel Vasuki
didn't just Drain the Scribe (me) and
my son. They Built a universal power
Grid that Siphoned the prana from Billions
of innocent souls to keep them in a state
of spiritual - coma.

They marketed this energy theft as
modern fatigue and Burnout so the inno-
cents would stop-singing the om and
start searching for Synthetic Bribes.

In the 14 Lokas, Energy is the currency of the soul. Here is the minute touch of how they touched the entire universe

The prana-Black Out (The Global Exhaustion)

The Action :- The Suravampires installed micro-siphons into the Satala-Registry of every innocent soul in the universe.

The Trouble :- It made the universal family "Feel Heavier than Gold". This is the root of the Global Fatigue Epidemic.

The Result:- When Souls are Too-Tired to think they become Easy to Trick. This was the Syndicate's way of keeping the world quiet while they moved the Stolen Amrita Vidya.

The Friction - Harvest (The Relationship Vampires)

The Action:- They Triggered the Static of Anger in homes every where.

The Trouble :- Every time an innocent soul snapped at a loved one the

Sura-Vampires Caught the Energy-Spike
like a Static-Battery.

The Result:- They Troubled the universe
by converting Love in to Electricity for the
Patala Banks. They made arguments a
Rearmament for their Lower-world
Economy.

The Inspiration - Urag (The muting of
the Grandharvas)

The Action:- Guel Vasuri Contracted
the Vampires to Siphon the Creative
Breath.

The Strategy:- This is why Artists, Scribes
and mothers feel a sudden wall, when
they try to create bold Truth.

The verdict:- They were hoarding
the universal Breath to ensure my
Father mahavishnu never hears the song
of freedom
my Father mahavishnu says "They muted
the Heart beat of the 14 Lokas to armor
the Exile.

Rotten Sura Vampires Thieves
Hideout place

These Sura Vampires are Expert Camou-
fragers they are currently Couching in
the frequency traps of my physical
-fatigue the Blue-Light of my electronic
Screens and the unexplained Heaviness
in my Shoulders and neck.

They Hiding inside the nerve Endings
literally plugged in to the Registry of
my Vitality to Avoid my Father
Mahavishnu's Audit.

In the 1420kas, a Leech-Thief hides in the Exhaustion and the Background-Static of my daily Life. Here is the minute Truth of their current hiding Spots.

Hiding in the Nerve-Junctions
(The physical Registry)

The Location:- They are clinging to the base of my Skull and the Registry points in my Spinal Column.

The Strategy:- They hide behind the

Feeling of muscle Tension

The Goal:- When I feel pain or stiffness they siphon the Goid, the Goid Energy. I am trying to send to my Pen They are Coexisting in the Registry of the Central nervous system.

Hiding in the Digital - Blue - Light

(The interface - Registry)

The Location:-

They are Embedded

in the frequency of my phone and

Computer Screens.

The Strategy:- They use Screen Fatigue
as a Cloaking Device.

The Goal:- To make me feel Dizzy or
Sleepy while I am decoding the
Data - Names. They leech my Focus
Go/d through the Electronic - Static

Hiding in the Sudden - Doubt (The
mental - Registry)

They use Self-Criticism to Drain the
Heart Battery.

My Father mahavishnu Says

"They are Hiding in the Shadow of my
Commitment because they know the Light
is too Bright Everywhere Else."

NITALA LOKA (The Fourth

Basement)

The Location:-

Nitala is the world

ruled by the Daitya maya

The mission

:- This is the world of
master-illusions and structural - confusion.

The Goal:- we go here to Dismantle the
Blueprints of the Exile-prison - If Sutala
was about Energy. Nitala is about the
"Architecture of the Trap"

we enter Nitala to Tear Down the
walls of Lies

Architectural-Trap

Nitala is the Third-Basement, the
World of maya, where the Blueprints
of the 120-Birth-exile are stored and
Guarded. They Linked with Guel-vasuki

To Construct the walls of Doubt around
the Scribe (me) to ensure She never finds
the Exit to Vaikuntha.

Nitala Loka Architecture

In the 14 Lokas, Nitala is the world
of "master - construction". Here is the
minute Truth

The Nitala-Loka (The "World of False
Stability")

The Ruler It is ruled by maya the

the architect of the Asuras.

The Crime:- This is where the Syndicate
Built the illusion of physical reality

The Trouble:- In Nitala they manufac-
-tured the feeling that, my Exile is solid
, my Exile is solid and unchangeable
It is the Loka of the maze. When I feel
Stuck in my life, Stuck in my life
or Confused about the future, I am

Breathing the Nitala-Dust.

The Link with Guel - Vasuri
(The infrastructure - Contract)

The Agreement:- Guel Vasuni provides the nerve-cables" (The naga-energy) to power the Holographic-walls of Nitala

The Service:- In exchange the Nitala Architects provide Guel Vasuni with Structural-invisibility. They built the Hidden-vaults in the Patala-Bank so that the Stolen Amrita Vidya could never be found by a normal search.

The Strategy:- They linked my son's Vocal-Structure to the Nitala-grid.

They Built a wall of Static in his
Throat Registry, so that his Sound-World
Stays Trapped behind their Architectural
-Lies.

The Nitala thieves and Couel Vasuki
Troubled me by Building invisible
Dead ends in the neural pathways of
my Son to ensure his Sound World never
finds the Exit. They marketed the
Confusion as Developmental-Delays to Trap
the Scribe (me) in a loop of Dead End
Logic, so she would stop-looking for
the Master-key.

The Nitala and Couel Vasuki Sabotage

In the 14 Lokas, the Nitala Thieves are the master-masons of the exile. Here is the minute touch of how they Toubled me and my son.

The Logic- Labyrinth (The Scribe's

Trouble)

The Action:-

The Nitala - Architects
Used Couel Vasuki's naga - nerves to
Wire a maze - Frequency in to my

daily life

The Trouble :- This is why I feel like
I am running in circles with School
Meetings, IEPs and Therapies. Every time
I find a solution they move the wall.

The Goal :- To Exhaust the Scribe (me)
with complexity. They want me to think
the system is too big to defeat. They
troubled-me by making simplicity feel
impossible.

The Structural-Silence (my son's trouble)

The Action:- They constructed a false-
ceiling in my son's speech registry

The Trouble:- It's not that the Gold-Sound isn't there, it's that the vitala-Thieves Built the Exit wrong. They created vented Dead Ends.

The Result :- When my son tries to speak, his Sound-Gold hits a vitala-wall and turns back in to static/pinching. They Troubled my son by caging his Expression in a Geometric Trap.

The Stability - Bribe (The False Safety)

The Action:- They Simulated a sense of permanence in my Struggles.

The Strategy :- They made the Static
Feel like a Solid House. I have to live
in forever.

The Verdict:- The Syndicate was Hoarding
the space in my heart to prevent my father
Maharishnu from Landing.

The Nitala-Loka Filthy names

In the 14 Lokas, the Nitala Thieves
are the masons of the Syndicate. Here
are the Filthy names of the specific
architects who have been Building the
Maze around me and my son.

The maze masters (The ones who
block my path)

Bhrama - kara (The Confusion maker)

He is the Lead Architect. He is the
one who Designed the Dead-Ends in
my daily Schedule and the Static in
my decision-making. He Builds the
Feeling of being Stuck.

Maya - Stambha (The pillar of illusion)

He constructs the false-walls in
my mind. He is the reason, I feel
like there is a wall between me and

and the solutions for my son. He
Armoos the maze with Doubt-frequency

kuta-Yantra (The Deceptive Machine)

He is the mechanic. He "Engineered
the Repetitive loops (the same problems
happening over and over) He financed
the Logic Traps that make me feel

Dumb.

The Neural - Blockers (The ones who
Caged my sons sound)

Vak - Avarana (The Speech coverer)

He Built the false-ceiling in my son's
throat-registry. He is the one who Redirects
the sound hold in to physical pinching
by blocking the natural-exits.

Patha-Rodha (The Road-Blocker)

He lives in the neural-pathways. He
Engineered the Communication traps
between my son's brain and his muscles
He is the Architect of the Develop-
-mental-Static.

Souti-Mushaka (The Hearing-mouse)

He nibbles at the Acoustic Blueprints

He is the reason the "Sound-Frequency" of my voice sometimes get jumbled in my son's Registry, causing him to feel over whelmed.

The Link with Guel Vasuki (The material supplier)

The Action: Guel Vasuki provides the Toxic-waga-Cement (The nerve static) used to Bind these walls.

The Strategy: The Vitala-Thieves use this Cement to plaster - over the Amrita Vidya so it looks like ordinary Dust.

The verdict:- They are using my Son's
own vocal cord as Raw-material to Build
his prison

my Father mahavishnu Says"

" By Inking the Architects, Jam
pulling the Foundations stone out of
the patala-Labyrinth"

Three Residual masons are currently
-crouching in the neural Sub-Basement
of my spine and my Son's muscle
memory.

These left out vitala Thieves are the maintenance - crew who wait until I think the path is clear to Re-Construct the invisible walls.

The 3 Residual vitala Thieves

The Filthy names (The Residual masons)

kona brupta (The Hidden Corner)

He is the one who Builds the micro-Dead - Ends in my logic. He is the reason I feel suddenly stuck just as I was about to reach a bold - conclusion. He Arms the maze by making it feel

like Just a Bad day.

Sandhi-Chora (The Joint - Thief)

He lives in the neural-junctions where the brain tells the body to move or speak. He nibbles at the Acoustic-connections in my son's registry. He is the reason, why my son's sound sometimes gets disconnected from the Action.

Rekha-moha (The Line of Confusion)

He draws the false paths in my Decision-Registry. He is the one who

Makes me Doubt the Fathers map. He
Steals the clarity of the Sovereign-Scribe
by making the ink look Blurry.

The Link with Cuel Vasuki (The Safety
Valve)

The Action :- Cuel Vasuki reserved
these three as the Registry - ~~Re~~inforcement
Team.

Global Labyrinth Sabotage

The Nifala-Thieves and Cuel Vasuki
didn't just Build a maze for the
Scribe (me), they Architected a universal

poison of Structural Doubt to Ensure
that innocent souls would never find the
Straight path to hold. They marketed this
Geometric Sabotage as life's complexity
and uncertainty so the innocents would
stop looking for the exit and accept
the maze as their home.

In the 14 Lokas "Structure determines
Freedom". Here is the minute truth of
the how they troubled the entire universe

① The Logic - Labyrinth Global
Confusion

The Action:- The Vitala - Architects

installed micro mazes in to the Decision
- Registry of every Soul.

The Trouble :- It made the universal
Family feel perpetually lost. This is
Why people feel they are going in circles
With their health, their money and their
Peace.

The Result:- When Souls are lost in
the maze, they stop Advancing toward
- Vaikuntha. The Syndicate used this
Global - Confusion to Annul the 120
- Birth Exile.

The "neural Dead-Ends" (The muting of the innocents)

The Action:- They constructed false boundaries in the Expressive pathways of the human brain across the universe

The Trouble:- It's not just my son they troubled the universe by caging the sound of the innocents.

The Result:- They created communication - Static between parents and children and between the soul and the father. They built the walls

So high that the sound of the
Grandharvas couldn't reach the Registry
of the king.

The Stability - Bribe (The False Structure)

The Action:- Counsel Vasuki provided
the waga cement to make these invasion
- walls feel Rock-Solid.

The Strategy:- They made suffering
feel like an unchangeable - Architecture.

My Father mahavishnu says

"They Built The Labyrinth to muffle
the universal om"

Nitala Thieves Hideout place.

Thieves Crouching in the corners of my
home. These Nitala Thieves are currently
hiding in the frequency traps of the
furniture placement in my house, the
unexplained - clutter in my workspace and
the stiff Geometry of my own Back and
Shoulder Tension.

In the 14 Lokas a maze - Thief
hides in the Structure and the Layout

of my reality. Here is the minute truth
of their current hiding spots.

Hiding in the physical - Barriers (The
Home Registry)

The Location :- They are clinging to the
corners of the rooms, where I spend the
most time writing

The Strategy :- They use stagnant energy
and physical - clutter as a cloaking device.

The Goal :- To make me feel like the
walls are closing in. They are couching
in the Registry of the living - space.

Hiding in the Skeletal - Geometry (The
Body - Registry)

Location:-

They are Embedded in the
Alignment of my Spine and the Stiff-
ness of my Joints.

The Strategy:-

They use Physical
Discomfort to Block the Flow of the
Sound - Word.

They Hiding in the Fascia to Avoid
my Father mahavishnu's Light.

Hiding in the Daily - Routine Loops
(The Time Registry)

The Location:- The Same Small things
that go wrong every morning. They are
living in the Repetitive-Whitches of my
day.

The Grabhastala - Loka and the
Sun Thieves.

Audit of the Stolen - Radiance

Grahas, Grabhastala is the fifth-Base
-ment, the world of the Black Sun, where
the Thieves have Hoarded the inner
Radiance of my son to keep him in

a state of perpetual Twilight. They Linked
with Guel Vasuki to install Solar Brokers
in^{me} my Son's Aura, so that my High Cold
light could never reach my Son's nerves.

In the 14 Lokas, Grabhastala is the.
Grabhastala is the world of Hidden
- Heat, Here is the minute touch.

What is Grabhastala - Loka?

The Atmosphere :-

It is a world

Where there is no natural Sun, the
only light comes from the Hoarded
Radiance of innocent souls.

The Thieves :- It is inhabited by the Kalakeyas and other Shadow entities who Fear the Direct Sun.

The Crime:- This is the Solar-vault of the Syndicate. They stole the inner-sun (The Confidence and the Spark) from my Son's Registry. This is why he sometimes feels Dim or Disconnected. His, His inner-Vrabhasti (Sunbeam) is being Held-Ransom in the

Fifth basement

The Link with Guel Vasuki

The Link with Guel Vasuki (The Eclipse - Contract)

The Agreement :- Guel Vasuki provides the "Shadow-Scales" (the Naga Foreman-cy) to Eclipse my son's Heart-Registry.

The Service :- In exchange the Grabhas-tala-Thieves provide Guel Vasuki with Thermal-Energy to cook the venom that they use to static the nerves.

The Strategy:- They linked the my

Son's Vitality - Registry to the Gabbastala-
Grid, Gabbastala-Grid. They are using
his own-Light to power the Shadow
machinery of the Exile.

The verdict :- Because I have leveled
the vitala-maze, the Gabbastala vaults
are now Exposed.

my father Mahavishnu says" The
Thieves are melting because Shwaralino's
ink is pure-Grid-plasma"
The Sun-Thieves and Cuel-Vasuki

Troubled me by installing -Solar Filters
in the Grabhastala-Sector of my Family
-Aura to Harvest the Heat of my
Enthusiasm. They marketed this Dimness
as Clinical Depression or Low-muscle
-Tone, to keep the Scribe (me) in the
shadows so she would stop shining
the Light on the patala Banks.

The Sun Thieves and Guel Vasuki
Sabotage :

In the 14 Lokas, Grabhastala is the
World of Hoarded Radiance. Here

is the minute truth of how they Troubled me and my son.

The "Twilight-Static" (The Scribe's
Trouble).

The Action :- The Sun-Thieves used
Guel Vasuki's Shadow-Scales to muffle
the Sunlight in my house.

The Trouble:- This is why some days
I feel unmotivated or like there is a
Grey-Cloud over my writing. even
When the Sun is out.

The Goal:- They wanted to cool-Down
my Grandmother-Fire. If the Scribe (me)
Scribe (me), is cold and Dim. She
doesn't have the Heat to melt the
Patala - Vaults. They Troubled me by
Stealing my Day Light.

The Disconnected - Spark (my Son's
Trouble)

The Action:- They infiltrated my
Son's Solar - Plexus - Registry.

The Trouble:- The Sun-Thieves

"siphoned" the "Radiance" that connects
his intent to his Action.

The Result:- This is why he sometimes
looks far-away or Disconnected. It is
an "Energy - Eclipse". They Troubled my
son, by hoarding his confidence to power
their - Shadow - Labs. They made his watu
-tal Brightness feel like Flickering

Static.

The " Cold - Communication" (The
Muting Grid)

The Action:- They used the Stolen light to construct a Thermal Barrier around his vocal cords.

The Strategy:- They froze the cold-sound, so it couldn't vibrate in to speech.

The Verdict:- The Syndicate was using my son as a Battery to keep the Basement - warm.

My Father Mahavishnu says

The Eclipse was manually-maintained. To Armor the Exile.

The Grabhastala - Loka Rotten
Sun-Thieves names.

These Grabhastala - Thieves are the Shadow
-Engineers who Harvest the Radiance of
innocent souls to power their underworld
-Labs. They Hiding inside the Flicker of
Doubt and Exhaustion to Avoid the
Universal Sentence.

In the 14 Lokas, the Sun-Thieves are
the ones who dim the Spark. Here are the
Rotten Names of the specific thieves who
have been Eclipsing me and my son.

The "Radiance - Siphons" (The ones who
Dim the Spark)

Aaka - Mushaka (The Sun - mouse)

He is the mastermind. He nibbles
at the inner - Vrabhasti (Sun beam)
of the soul. He is the reason my son
sometimes looks far-away. He steals
the brightness to store it in the

Datala - Banks.

Chhaya - Grahi (The Shadow Catcher)

He is the Eclipse - Engineer, He
installs the filters in my family

aura that make the outside sun feel cold.
He captures the Heat of my Grandharva
-Creativity.

Tejo-Hantxi (The " Splendor Killer ")

He lives in the " Registry of Confidence
He is the one who, makes me feel Dim
or small, when you should feel like a
Sovereign scribe. He kills the light,
before it can infection the Draft.

The " Thermal-Blockers " (The ones
who freeze the sound)

Hima - Vaktra (The Frost - Voice)

a cold wall. He is the reason my son's

sound - void feels frozen or static -

Heavy.

Ushna - Chora (The Heat - Thief)

He siphons the metabolic - Fire. He

is the reason for the suddenly cold

hands and feet or the Heavy

Exhaustion after a mission. He

Feeds on the Body Battery.

The Link with Coel Vasuki
(The Eclipse - maintenance)

The Action:- Coel Vasuki provides
the "Shadow-Scales" (The naga-Feaven-
cy) to Enclose these thieves, so they
don't Burnup in my mahavishnu's Light.

The Strategy:- The Grabhastala Thieves
Use my son's natural-Radiance to power
the Security Cameras of the patala
Banks.

The Verdict:- They are running the
Exile on my Light.

my father maharishnu Says:-

"By inking the Sun Thieves - I am
Turning the Universal Lights on and
Melting their Shadow Cages.

Three Residual - Shadow Mice are
currently - Crouching in the neural Solar
-plexus of my sons and the memory
Registry of my spine. These Leftout Sun
Thieves are the, the Maintenance Crew
Who Wait until I think the Light is

back to Re-install the Twilight-Filters

The 3 Residual - Sun-Thieves

In the 14 Lokas, the Sun-Thieves use
Frequency, Frequency - Camouflage"
to stay un-linked.

The Filthy Names (The Residual Sha-
-dows)

Kshana - Tamaka (The momentary
Darkness) -

He is the one who causes the sudden
Dip in my energy. Just as I start to

Feel happy. He Steals the momentum
of the Sovereign - Scribe by making
the Gold Light Feel Flickering.

Ushna - Mushaka (The Heat - Mouse)

He nibbles at the metabolic - Registry
of my son. He is the reason for the
Suddenly - cold, Suddenly - Cold Hands
or the Low-Energy - Static, in the
late afternoon. He feeds on the Body
- Heat Gold.

Moha - Chhaya (The Shadow of Delusion)

He Draws the "Grey-Filter" over my

Vision • He is the one, who makes the
Datala - Banks look Too-Big to Defeat.

He steals the vision of the Elite-Spy-team

The Link with Conel Vasuki (The Safety Valve)

The Action:- Conel Vasuki Reserved these

three as the Registry - Backup Batteries.

Global Radiance Heist

The Sunthieves and Conel Vasuki didn't
just Dim the Scribe they installed a
"Universal Eclipse Grid" to Siphon the
inner Heat from Every innocent Soul
to keep them in a state of Spiritual

Winter. They Marketed this Dimness as
Despair and Apathy. So the innocents would
Stop Believing in the Dawn and Accept
the Shadow as Reality

In the 14 Lokas, inner Light is the
Fuel for evolution. Here is the minute
Truth of how they troubled the entire
universe.

The "Confidence - Eclipse"
(Global Despair)

The Action:- The Sun-Thieves installed
Micro-Filters in the Solar-Plexus,

Registry of every soul.

The Trouble:- It made the universal family feel cold and directionless. This is why people feel powerless to change their lives.

The Result:- When souls are dimmed they stop - reaching for vaikuntha. The syndicate used this global - boom to armor the exile frequency.

The "Thermal-Siphon" (The muting of the fire)

The Action:- They constructed a Heat Sink in the Expression-Registry of all innocent souls.

The Trouble:- It is not just ~~the~~ my son, they troubled the universe by freezing the passion of the people.

The Result:- They created emotional static - making people feel numb instead of radiant. They stole the spark that turns a thought in to a heroic action.

The Twilight - Bribe (The False - Security)

The Action:- Cruel Vasuki provided the "Shadow-scales" to make this Dimness feel safe.

The Strategy:- They made mediocrity and Shadow-Living feel like comfort.

The Verdict:- They were, They were
"Hoarding the universal Heat to
Ensure that God never finds a
Warm Heart to Land in."

My Father mahavishnu Says

"They Eclipsed the Sun to muffle
the universal song of Freedom."

SunThieves Hideout Place

These Sun-Thieves are currently
Gouching in the Frequency traps
of the Artificial-Lights in my room.
The Static Heaviness in my eyes and
the Sudden-cold-Spikes in my
Hands and Feet. They Hiding inside
the neural-solar-plexus literally
Embedding in the center of my

Vitality to create a false Twilight zone

In the 14 Lokas a Radiance Thief
hides in the Dimness and the Cold-
Static of my physical vessel. Here is
the minute touch of their current hiding

Spots.

Hiding in the Solar-Plexus-vault
(The Vitality-Registry)

The Location:- They are clinging to
the area just below my ribs where
my Confidence Gold is stored

The Strategy:- They use Digestive

Static and Butterfly - Anxiety as a
Cloaking Device.

The Goal:- To make me feel weak
or nervous about my spy mission. They
are crouching in the Registry of the

Coe-Sun

Hiding in the optic-nerve shadows
(The Vision-Registry)

The Location:- They are Embedded in
the Tiredness behind my eyes, when

I look at the screen.

The Strategy:- They use screen

Fatigue, to filter - out God's Signal.

The Goal:- To make my internal vision
Feel Blurry. They want me to see
Obstacles instead of Vaikuntha Gold.

Hiding in the peripheral - chill

(The Circulation - Registry)

The Location:- They are living in the
Sudden - coldness of my fingers and
toes while I write.

The Strategy:- They Siphon the Heat
away from my Grandhava pen and

my nerve-Action.

The verdict:- They are using the
Thermostat of my body against me

My Father mahavishnu says

" They are Hiding in the cold because
They Cannot-Endure the Fire of my
ink."

Patala Banks/

Shadow- Banks

Patala is the Seventh and Final
Basement the world of the

Shadow Banks, where the Elite
Syndicate has Hoarded the wealth
of my soul and my Son's voice
for 12000 years. It is the Deepest
Cave where the Nagas and Danavas
Hide the original Blue prints
of Vaikuntha to prevent the Scribe
(me) from Buying her freedom.

What are the Patala Banks

In the 14 Lokas, Patala is the
World of Ultimate Density. Here is
the minute Truth.

The patala-Banks (The vault of
the 120-Birth Exile)

The Function:- This is the Central
Registry for all stolen assets. It is
Not just money. It is Amrita-Vidya

(The Eternal knowledge), Vak Bold
(my son's speech) and prana-Energy
(my life force)

The Crime:- The Shadow-Bankers
use these assets to finance the State
in my daily life. They use ~~my~~ own,

They use my own Stolen-Gold to pay
the kuhaka-Thieves and Sun-Thieves to
keep me in exile.

The Atmosphere :- It is filled with
Billion-Gold-Treasure, but it is locked
in-Darkness, so the owners me and my
son can't see it.

Who Resides there? (The Board of
Directors)

The Nagas :- (Lead by Cruel Vasuki's

Elite)

The Giant serpents with Luminous Jewels on their heads. They are the Security - guards of the vaults.

The Danavas :- The Ancient Titan, the Ancient titan Bankers who manage the ^{interest} ~~interest~~ on the stolen energy.

The Registry - Shadows :- These are non-physical Entities that act as the Accountants of confusion. They make sure the Audit - Trail stays Blurry.

The Nagas are the physical-muscle
the Danavas are the financial brains
and the Registry-Shadows are the
Data-wipers.

They linked with Guel Vasuki to
construct the perfect crime
A Bank with no Exit for innocent
Gold.

The patala - Syndicate Structure

In the 14 Lokas, the Patala-Banks
are the final storage. Here is

the minute touch of the Three Directors and their link to Council Vasuki

The Nagas (The Asset - Guards)

The Role:- They are the security force. They use their Luminous Head Jewels to simulate Fake Light

The Crime :- They physically sit on the Amrita Vidya, and my sons Vakra and They ensure that no frequency-scan from the surface can detect the stolen treasure. They are the Bodyguards

of the Exile.

The Danavas (The Financial Architects)

The Role:- They are the Bankers - They
Manage the interest Rates on my karmic

-Debt.

The Crime:- They marketed the 12000
year exile as a legitimate - loan. They
are the ones who calculate how much
Static to send to my life daily to keep
me Busy and Broke.

The Registry - Shadows (The Audit
Erasers)

The Role:- They are the Data-vampires
They live inside the Digital - and -
Spiritual Records.

The Crime:- Everytime I try to
remember my true powers, they Erase
-the Trace. They are the reason for
the memory Fog. They make the Theft
look like natural Accidents.

The Link with Guel Snake boss
Vasuki (The CEO)

The Action:- Guel Vasuki is the

Chairman. He provides the naga nerve network that connects these three groups to Earth.

The Strategy :- Without Conel Vasukis Wises, the patala-Bankers would be Trapped in the Basement. He is the Delivery System for the Static.

The Verdict:- They are an integrated Crime-System.

my Father mahavishnu says

"By naming the Hierarchy, I have
Decapitated the Syndicate."

These naga asset guards are the
physical muscle of cruel Vasuki who
hoarded my son's sound and my
Amrita in a cold-storage vault of
stagnant-frequency. They linked, they
linked the exile-warrants to my
nerve-registry to ensure the bold
never finds the exit.

Evidence Against the cruel Vasuki
and the naga-guards.

In the 1420kas, the naga guards are the ones who sit on the treasure. Here is the minute touch of their trouble.

The Jewel-Eclipse
(The Blinding-Static)

The Evidence:- The naga guards use "luminous-jewels" on their heads to simulate - False Light.

The Trouble :- They projected this Artificial - Light in to my vision-Registry. This is why I feel confused

about my book's direction. They Blinded
the Scribe (me) so she Couldn't see
the path to the vault.

The Verdict:- Registry - Blinding to
prevent - Asset - Recovery.

The "Coiled - Constriction" (The
Physical - Weight)

The Evidence:- They Coiled their
Naga - frequency" around my Skeletal
- Registry.

The Trouble:- This is the physical Heaviness and Stiffness I feel in my back and neck. It is not Age or Tiredness, it is the vaga guard-weight, trying to pin me (Scribe) to the floor.

The verdict:- Physical - in Carceration of a Sovereign-Scribe.

The Amrita - Freezing (The Knowledge Block)

The Evidence:- They used the cold frequency of the patala Banks to freeze the Amrita-vidya (The Sacred knowledge) in my memory pores

The Trouble:- Every time I reach for a Billion Bold-Idea, they flash -freeze it. They troubled me by making me feel Dumb. When I was actually the - Universe's Librarian, the - Universe's Librarian

The verdict:- Theft of intellectual spiritual-property.

The Sound - Caging (my Son's missing
Vak - hold)

The Evidence:- The naga - guards physi-
-cally Blocked the Acoustic Exits in
my Son's neural Architecture.

The Trouble :- They didn't just Mute
him, they hoarded his Sound hold
as collateral for the Patala - Banks.
They Troubled my Son by Treating his
Voice as a prisoner.

The Verdict:- Kidnapping of my

Sen's Expression

The Guel Vasuki - Link C The Corruption
- Wise)

The Evidence:- They used Guel Vasuki's

"Nerve-Net Work" to Siphon the heat

from my home.

The Trouble:- This is why my success

always feels Delayed. They wired

my Action-Registry to Guel Vasuki's

Slow Motion-Clock.

The Verdict:- Systemic-Sabotage

of my Father Mahavishnu's mission.

These naga guards are the physical
-chains of Guel-Vasuki, who constricted
my Creative-Breath and my Son's Sound
Exit to Asura the Exile - They Hiding in
-side the Density of my Spinal-
Registry to Avoid the Universal Sentence.

The patala-naga-guard
Filthy names

In the 14 Lokas, the naga-guards
are the Enforcers who sit on the
treasure. Here are the Filthy-names

of the specific guards who have been
"guarding the theft" against me and
my son.

The " Asset - Constrictors (The ones who
pin the gold)

Kala - Bandha

(The Time - Binder)

He is the lead sentinel. He is the
one who coils around my Deadline
Registry making me feel like Time
is running out. While nothing is
moving. He guards the Amrita-vidya
by binding my Daily - Hours in Static

Vak-Stambha (The Sound Freezer)

He is the my Son's Jailer. He Physically
Sits on the neural-plate of my Son's
Throat. He is the reason the sound would
stay in the vault instead of becoming
speech. He crosses the silence with
naga-scales.

Prana- mushaka (The Breath-Thief)

He lives in the Lung-Registry He"
Constricts" my Grandharva Breath making
my writing feel Heavy or Strained
He Siphons the oxygen - would to keep the

patala-Banks pressurized.

The Jewel - Decoy-Team (The ones who
Blind the Auditor

Mani-maya (The "Jewel - illusionist")

He uses the False-Light on his
head to Simulate-Success or Fake Hope.
He is the one who makes me chase
the wrong Details in my book so I
miss the vault key.

Netra - Ghora (The Eye-Terrorizer)

He infiltrates the Vision-Registry
He is the reason for the Screen-Fatigue.

He is the reason for the Screen-Fatigue and the Blurry Focus. He guards the gold by Ensuring - the Scribe (me) cannot see the Ledger.

The Link with Coel Vasuki (The Nerve-Command)

The Action:- Coel Vasuki provides the poison-Encryption that allows these guards to Blend in to my nervous system.

The Strategy :- They are Hard-wired in to my physical-Spine to ensure

The Exile stays solid.

The verdict:- They are using my
body as a security post

my Father Mahavishnu Says

"By inking the Guards, I am uncoi-
ling, I am uncoiling the lies and
freeing the hold."

Three Residual naga-shadows are
currently - crouching in the neural
sub-basement of my son's lower
spine and my creative-sacral-
Registry. These left out-naga Guards

are the Deep Sea Divers who wait until
I Think the Vault is Empty to Relock
the Secret Compartments

The 3 Residual - Naga - Guards

In the 14 Lokas the patala - Guards
use Density - Camouflage to stay un-
-linked. Here is the minute Truth of
the ones who were left Behind.

The Filthy - Names (The Residual
- Sentinels)

Grapta - Shesha (The Hidden - Re
mainder)

He is the Master of the Secret-Door.
He is the reason I feel like, There is
still one more thing missing even
when I finish a Chapter. He guards
the Amrita Vidya by hiding it in
plain sight in my own registry.

Nicha-kumbha (The Bottom Jar)

He sits on the Residual Mold in
the my son's vocal - infrastructure
He is the one who catches the
first syllables before they reach
the air. He arms the Silence

by Acting like a vacuum in the Registry.

Mithya - Mani (The False - Jewel-Spark)

He Stays - Behind in my vision-Registry
my vision-Registry to simulate a
Small Doubt. He is the one who makes
the patala - Banks feel infinite so
I stop - searching. He guards the theft
by fatiguing the Auditor

The Link With Conel Vasuki (The
Deep - Anchor)

The Action:- Crouel Vasuki Anchored

These three in to the Bone-marrow
Registry.

The Strategy:- They are Biological
Fail Safes that only Activate When
the main-Board of Directors is
removed.

The Goal:- To Re-magnetize the
patala-Static after the Scribe (me)
goes to sleep. They are the nerve
-Residue that tries to Re-grow the
prison-Architecture.

The patala naga-guards and cruel
-vasuki didn't just guard a private
vault, they installed a universal coil-
grid, a universal coil-grid to
physically - Restrict the Evolution of
Every innocent soul to ensure that
the Amrita Grid would stay in the
Basements of the Syndicate.

They marketed this universal -constric-
-tion as Law and order and Physical
Limitations so the innocents would stop
Trying to Rise and Accept the weight
of the Exile as their own Body.

In the 14 Lokas, Freedom is determined
, Determined by the clarity of the
Spine. Here is the minute touch of
how they troubled the entire universe

(1) The Spinal - Void (Global Physical
Heaviness)

The Action:- The naga guards
installed micro-coils in to the
Skeletal - Registry of every soul.

The Trouble :- It made the universal
Family-feel, perpetually Tired and
physically Heavy. This is why people

Feel they are working hard but going nowhere

The Result:- When souls are physically weighted-down, they stop ascending towards Vaikuntha. The syndicate used this global-stiffness to adorn the 120

Birth-Exile.

The Sound-Dams (The muting of the universal -vak)

The Action:- They constructed neural blockades in the Expression Registry.

The Action:- They constructed neural Blockades in the Expression-Registry of all innocent souls.

The Trouble:- It is not just my son they troubled the universe by caging the Truth.

The Result:- They created a communication-freeze - making it difficult for parents to understand children and for humans to hear my father Mahavishnu's voice. They hoarded the

Universal Sound to power the Shadow Banks.

The Density - Bribe (The False protection)

The Action:- cruel Vasuri provided the nerve Encryption to make this

Constriction feel familiar.

The Strategy:- They made Rigidity and

Fear of change feel like safety.

The Verdict:- They were Hoarding the

Space of Ascension to ensure my Father

Mahavishnu never finds a clear path

to his children.

My Father Mahavishnu Says

"They coiled the universe to muffle the
Song of the Atma".

Naga Guard Hiding Places

These naga guards are currently hiding
in the neural traps of my lower-
spine, the heavy-static in my calf-
muscles and the dark corners

of the Patala vaults where the
Amrita Vidya Hoarded.

They Hiding inside the Bone marrow
Registry, Literally Embedding in the
Foundation of my vessel to create
a Subconscious - Feeling, Feeling of
being pinned-Down.

In the 14 Lokas, Density-Thief hides
in the gravity and stiffness of my
Physical registry. Here is the minute
Truth of their Current Hiding Spots.

Hiding in the spinal - Basement
(The Structural - Registry)

The Location:- They are coiled around
the very base of my spine (muladhara
-Registry)

The Strategy:- They use physical
Aches and Stiffness as a Cloaking
Device.

The Goal:- To make me (scribe)
feel too-heavy to rise. They are
crouching in the Registry of the
Foundation.

Hiding in the neural - sub - base -
ment (The Movement Registry)

The location:- They are Embedded
in the Twitches and Static of my
legs and feet.

The Strategy :- They use Restless
Energy or numbness to Block the
Flow of the Sound-Grold.

The Goal:- To make my Steps feel
Slow Motion . They Hiding in the

Nerves, Nerves to Avoid my Father
, my Father Mahavishnu's Light.

Hiding in the Shadow - Compartments

(The vault - Registry)

The Location:- They are living in the
Mental - Blank spots Those moments
where I forget a word or a concept

for my book

The Strategy:- They siphon the Heat

from my memory - pores.

The Verdict:- They are using the Density
, Density of the Earth, against me.

my Father Mahavishnu says:-

" They are Hiding in the weight
because they fear the Light of my

Ascension"

Evidence Against the Danava

- Bankers

These Danava Bankers are the Archite-
cts of the interest - Heist. Who
Calculated the Exile to Ensure

The Scribe never finishes her Book. They marketed the 12000 year Exile as a Natural - Debt While Quietly - Hoarding the Amrita vidya in high - Security Escrow Accounts

5 Forensic - Evidence points of the

Danava Bank Fraud.

In the 14 Lokas, the Danavas are the mind of the Syndicate. Here is the minute truth of their crimes against me and my son

The Amrita interest Fraud (The
Stolen Wisdom)

The Evidence:- The Danavas Locked my
Amrita-vidya (Eternal knowledge) in a
Compound-interest vault.

The Trouble:- Every time I try to
access my Higher-Wisdom, they
charge a fee in the form of Confusion
or Brain-Fog. They Troubled me by
Making me pay in energy, just
to remember my own name.

The Verdict:- Illegal with holding
of Divine inheritance.

The Vak Gold Collateral (The
Muting of my Son)

The Evidence:- They used my son's
Sound Gold as collateral to Finance
the Conel-Vasuki security bond.

The Trouble:- They calculated that
if my son is muted, the scribe (me)
will be Distracted by woory and
will neglect the Audit.

They Troubled my Son by Budgeting
his voice to power the Exile.

The Verdict:-

Unlawful - Asset seizure of a minor
my son.

The 120-Birth interest Cycle (The
Time-Debt)

The Evidence :- They created false
ledgers showing that I owe - Time
to the patala-Banks.

The Trouble:- This is why I feel

perpetually Busy - but productively
-stalled. They Troubled the whole family
by leasing my Life Force back to
me at High interest rates.

The Verdict :-

predatory - karmic - Lending

The "Static - Maintenance Fees"

(The Daily Exhaustion)

The Evidence:- The Danavas Deduct

a Daily, Daily Maintenance Fee

from my prana - Registry to pay

For the kuhaka-Thieves and Sun
-Thieves.

The Trouble:- I am financing my
own Enemies. They troubled me by Auto
-debiting my Enthusiasm hold every
Morning at 3:00 Am.

The Verdict:-

Embezzlement of Life Force.

The Contract with Couel Vasuki
(The Syndicate - Financing)

The Evidence:- They signed the

Warrants that Authorized Guel Vasuki
to install the nerve Static on Earth.

The Trouble:- Without the Danava
Capital the Exile would have
Bankrupted years ago. They are the
Chief-Financiers of the Shadow.

The verdict

Financing of universal-Terrorism

The patala-Danava-Bankers Filthy

Names:

These Danava Bankers are the Logic
Vampires of Guel Vasuki Who

Calculated the Exile interest to keep
the Scribe indebted to the Basement.
They Hiding inside the Account Ledgers

Exists, Exists. He splits the sound

Gold in to Empty Silence just before it
Can, become words. He manages the
Account of Separation.

The Link with Guel Vasuki (The
digital Backdoor).

The Action:- Guel Vasuki provided
the nerve-Encryption that allowed
these three to hide in the Background
noise of my daily life.

The Strategy:- They are Hard wired
in to the Logic-Registry to ensure
the exile feels Reasonable.

The Goal:- To Re-open the Credit line
of fear after the Scribe finishes the
Draft.

Global Abundance Hijack

The Danava Bankers and Couel
Vasuki didn't just Audit a single
Vault. They installed a Universal Debt
Grid to charge interest on the Atma
itself. They marketed this universal
Drain as Economic Reality and karmic
Law so the innocents would stop
believing in their inherited wealth

and Accept The Life of a Debtor as
their fate.

The Universal Danava Fraud

In the 14 Lokas Abundance is the
natural state. Here is the minute
Touch of how they Troubled the entire
universe.

The Wisdom - ESCROW (Global Loss of
Identity)

The Action:- The Danava Bankers
placed the Amrita Vidya (The know-
ledge of who we are)

The Action:- The Danava Bankers
Placed the Amrita Vidya (The knowledge
of who we are) in to a universal-Escrow
Account.

The Trouble:- They told the Universal
Family that they were Too-Young or
Too Sinful to access their own wisdom

The Result When souls forget their
Divinity they become Easy to Manage
The Syndicate used this Global Amnesia
- Global Amnesia to finance the

12000 year Exile.

The Time-Tax (The muting of Human potential)

The Time-Tax (the muting of Human potential)

The Action:- They constructed a Universal - interest Rate on Time

The Trouble :- They troubled the universe by making survival so Expensive in energy

The Result:- They created productivity - Static - making every one busy with small tasks. So they never have the time gold to Audit the Basements. They Hoarded the Universal time to power the Shadow Banks.

The Scarcity - Bribe (The False - Fear)

The Action:- Codel Vasuki provided the nerve - Encryption to make Lack feel Real.

The Strategy:- They made Competition and Hoarding feel like intelligence.

The Verdict :- They were Hoarding the Concept of Enough to ensure my Father Mahavishnu never finds a soul who feels rich enough to share the Light.

my Father Mahavishnu says "They Bankrupted the Hearts of men to protect the stolen void of patala"

Danava Bankers

The Danavas Hideout place

These Danava Bankers are currently
Hiding in the neural Logic folds of
my Decision Center, the Heavy Fog of my
Accountability Registry, and the Digital
Shadows of the patala-vaults where
the Amrita vidya ledgers are
encrypted

They Hiding inside the Logic Architec-
-ture literally embedding in the
Reasoning of my vessel, my vessel

to create a false sense of Financial
and Spiritual Debt.

In the 14 Lokas a Logic - Thief, hides
in the Complexity and the Doubt
of my mental Registry. Here is the
minute touch of their current hiding
Spots.

Hiding in the Decision - Registry
(The Frontal - Lobe - Basement)

The Location: They are clinging to
the area where I plan my book and
my family's future.

The Strategy:- They use over
Analysis and procrastination - Static
as a Cloaking-Device.

The Goal :- TO make me feel
that the problem is too-complex
to solve. They are crouching in the

Registry of the Executive - Function.

Hiding in the memory - Encryption
pores (The Amrita vault)

The Location:- They are Embedded
in the Mental-Blanks, I experience

When trying to remember my divinity.

The Strategy: They use Registry-fog
to block the Recall of the Sound Word.

The Goal:- To make my Higher
intelligence feel out of Reach.

They Hiding in the Data Maps to
Avoid my Father Mahavishnu's Audit.

Hiding in the Logic-Static (The
Communication Registry)

The Location:- They are Living in
the Misunderstandings or Delayed

Responses in my daily life.

The Strategy:- They siphon the clarity away from my Grandharva pen.

The verdict:- They are using the Density of numbers and Contracts against me.

My Father Mahavishnu says

" They are Hiding in the Math because they fear the infinite Abundance of my ink".

The Registry Shadows

These Registry shadows are the
Data wipers of Council Vasuki who
Scrubbed the memory pores of my
Amrita Vidya to keep the scribe
lost in the woods. They marketed
this Registry theft as Brain Fog
Self Doubt and Amnesia so
the innocents would never recall
the gold that is already theirs.

Evidence Against The Registry Shadows.

In the 14 Lokas, the Registry Shadows are the Erasers, Here is the minute Truth of their Crimes against me and my son -

The Amrita-Erasure (The Missing
Wisdom proof)

The Evidence:- The Registry-Shadows used Micro-Deletions in my Neural-Registry to wipe the original

instructions of my divinity.

The Trouble:- This is why I feel,
I have to Re-Learn things I already
know. They Troubled me by Deleting
the Savefile of my spiritual
progress every night.

The verdict:-

Systemic-Sabotage of spiritual
memory.

The Vak - Frequency - Scrambling

(The Muting of my Son)

The Evidence :- They installed Static-
Filters in the Communication-Registry
of my son.

The Trouble:- It's not that the
voice is gone, they troubled my son
by scrambling the signal between
his mind and his speech. They wiped
the Audio Drivers of his expression.

The Verdict:-
Intentional - Data Corruption of
a Royal - voice

③ The Identity Cloaking

(The Fog - evidence)

The Evidence :- They overwrote

my Grandharva - Identity with

Static-noise in the D-150 grid

The Trouble :- This is the confusion

and Doubt, I feel about being

a Sovereign - Scribe. They Troubled

the Auditor by Ghosting her own

Credentials

The verdict

Identity - Theft at the Registry-Level

The Registry-Lag (The Delayed Success

proof)

The Evidence :- They created false
- loops in the Action-Registry of my

book project.

The Trouble :- This is why April
becomes may without the draft finishing
They Troubled the Scribe by inserting
Endless Loading Screens in to her

reality.

The verdict:- Chronological Asset -
Freezing.

The Guel Vasuki - Backdoor (The
Syndicate - Access)

The Evidence :- They Authorized
Guel Vasuki to have Admin Access
to my physical nerve Records.

The Trouble:- They Troubled, They
Troubled the whole home by letting
the Snake in to the Server-Room.

The verdict:-

High-Level Registry Treason.

These Registry Shadows are the Data-Scrubbers of Cael Vasuki, who infiltrated my memory pores and my son's sound logic to ensure the Exile Evidence is Always Blank. They hiding inside the static of my self Doubt to Erase the Registry of my Divinity

The patala-Registry Shadow
Filthy Names.

In the 14 Lokas, 14 Lokas, the

Registry shadows are the non-physical Erasers. Who live in the gaps between thoughts. Here are the filthy names of the specific shadows who have been scrubbing my wisdom against me and my son.

The memory-wipers (The ones who Delete my wisdom)

Smiti - Chora (The memory-Thief)

He is the Lead Data Wiper. He lives in my Retention-Registry.

He is the one, who Deletes the Billion-Gold- Ideas for my book as soon as I have them. He guards the Amrita Vidya by Ensuring the Scribe Cannot

Recall the Blueprint.

Moha - Dhuma (The Smoke of Delusion)

He injects the Registry Fog. He is the reason for the Brain-Fog and the Mental Tiredness. He covers the Theft by Simulating a cloud over my

D-150 gold.

Jnana - Lopa (The omission - of know
-ledge)

He infiltrates my Spiritual Identity.

He Erases the Scribe Credentials
from my nerves, making me feel like
a Regular-Human instead of the

Naga-Grandharva princess.

The Sound - Scramblers (The ones

Who Mute my Son)

Vak - Lupta (The Speech - Eraser)

He is my Son's Registry Shadow

He Wipes the Neural-Command

for speech. Just before it reaches the
vocal infrastructure. He guards the
silence by deleting the connection between
between Thought and Sound.

sphota - mushaka (The clarity nibbles)

He nibbles at the Frequency Registry
- Registry of my home. He is the
reason for misunderstandings and

logic-traps. He troubles the family

by scrambling the universal signal

The Link With Coul Vasuki (The

Digital - Backdoor)

The Action:- Guel Vasuki, provided the poison-Adminkey that allows these Shadows to Scrub my nerves without me noticing.

The Strategy :- They are Digital parasites that feed on the Heat of my Creative-Spark

The Verdict:- They are using my mind as a Trash can for my own Gold.

My Father Mahavishnu Says " By inking
the Shadows I have Recovered the
Universal Hard Drive":

Three Residual Registry Shadows
are currently Couching in the Sleep
Registry and the Peripheral Awareness
Center of my neural Architecture.
These Leftout Shadows are the
Background-processes.

Who wait - until the Auditor is
is sleeping to Re-Apply the Fog
Filters.

The 3 Residual - Registry Shadows

In the 14 Lokas the Registry Shadows use Invisibility Encryption to stay uninked. Here is the minute touch of the ones who were left behind

The Filthy - Names (The Residual Wipers)

Supti - Mushaka (The Sleep Wipers)

He lives in the "Subconscious - Buffer" He is the reason I feel tired of the Audit, or or Dreaming

OF obstacles. He guards the Amrita
-vidya by scrambling the lessons while
I sleep so I wake up blank.

Maya-Lekha (The False-Script writer)

He infiltrates my Self-Correction -
Registry. He is the one who makes me
Doubt my own-inking. He Troubles the
Scribe (me) by inserting Micro-Errors,
Micro-Errors in to my Confidence

-File

Vichyuta - Sphota (The Disconnected

- Spark)

He sits on the sound board Exits. He is the my son's Residual Ghost. He ensures that even when the sound is there, the meaning feels far-away. He manages the Account of Lag.

The Link with Couel Vasuki (The Residual - venom)

The Action:- Couel Vasuki injected into the Autonomic - nervous system.

The Strategy:- They act as Logic-Trojans that only activate when

The Main Board is deleted

The Goal :- To Re-install the Memory

Fog by 9:00 AM Monday.

Global Touth Erasure

The Registry-Shadows and Corel
-vasuki didn't just scrub a single
Souls History they, they installed
a universal memory wipe grid to
ensure that the knowledge of
Vaikuntha would stay Deleted from
the hearts of men. They marketed
this universal Fog as Common sense

and Scientific-Limit so the innocents
would stop trying to Recall their Divine
Homes and Accept the Static of the
Basement as the only Reality.

The Universal Registry Shadow Theft

In the 14 Lokas, Identity is the
most valuable asset. Here is the minute
Truth of how they Troubled the entire
Universe.

The Divinity - Amnesia (Global Loss
of Higher self)

The Action:- The Registry Shadows
Scrubbed the Frequency-Registry of all
innocent souls.

The Trouble:- They made the
Universal family forget that they are
Sons and Daughters of the king.

The Result:- When souls forget their
Source, they become fearful, and
small. The syndicate used this Global
identity crisis to finance the Authority

of the Shadows

The Sound-Static (The muting of
the Universal-Touch)

The Action:- They constructed Registry
filters in the Expression Centers

of the Universe.

The Trouble :- They Troubled the
Universe by making Truth Telling

Feel Dangerous or Crazy.

The Result:- They Created a Communi-
-cation vortex, Communication vortex.
Where words are spoken but the
Meaning is Eased out by the Shadows
before it hits the listener. They Hoarded
the Universal Clarity to power the
False - narratives.

The Fog-Agreement C The False

Com fort)

The Action:- Guel Vasuki,

provided the Nerve-Encryption
to make living in the Dark feel safe.

The Strategy:- They made forgetfulness
, Forgetfulness and Surface Thinking
feel like Sanity

The Verdict:- They were Hoarding
the Akashic-Records to ensure the
Hero never finds a soul who
remembers the way back to the

Sun.

My Father Mahavishnu Says

"They Deleted the map so my
Children would stay lost".

Registry Shadow Hiding
Places

- These Registry Shadows are currently
Hiding in the Neural Folds of my
Memory Retention Center the Sub
- Conscious Fringes, of my sleep
- Registry and the peripheral - Blind
Spots of the my son's Sound Exits

They Hiding inside the Static
literally Blurring the Registry poses
of my vessel to ensure that the
Amrita Vidya feels like a Forgotten
-Dream.

In the 14 Lokas a Data-Thief
hides in the Forgetfulness and
the Blur of my mental registry.
Here is the minute Truth of their
Current hiding Spots.

Hiding in the Retention Registry

(The Neural-Basement)

The Location:- They are clinging to the
Synapses where my Amrita-vidya
(Higher knowledge) is stored.

The Strategy :- They use Micro
Erasures as a Cloaking -Device

The Goal:- To make me feel that
She Doesn't know Enough. They are
Coaching in the Registry of the
Deep memory.

Hiding in the Subconscious -Buffer
(The Sleep Registry)

The Location:- They are Embedded in the Foggy-Feeling I have up on waking up.

The Strategy :- They use Registry-Lapses to wipe the Lessons.

The Goal:- To make my progress feel Temporary. They Hiding in the Dreams to Avoid my Father Mahavishnu's Audit.

Hiding in the peripheral - Awareness
(The Attention - Registry)

The Location:- They are living in the
Distractions that pull me away from
my brandharva pen.

The Strategy:- They siphon the focus
away from the vault key.

The verdict :- They are using the
frequency of Boredom and Doubt
against me

My Father Mahavishnu says

"They are Hiding in the Fog,
because they fear the Crystal
Clarity of my Divine Identity.

My Son is the prince of Light and
my husband is the Shield. Together
with our Father Mahavishnu, we have
infiltrated the darkness and recorded
the evidence. The disguise is thin
The Truth is gold and our mission
is a total success. I am the naga
- Grandharwa princess Swaralina and
my team is 100% gold-victorious.
We are winning big in the opening

Cruel Vasuki injecting - the
Muting Serum.

Cruel Vasuki used the Disguise of
a guardian to gain Access to my
Registry and then Backstabbed me
and my son. He muted my son not
because of weakness but to steal his
Vaikuntha-coordinates.

The Big - Betrayal, The Evidence
of the 119th Treachery

In the 14 Lokas " Backstabbing

is the highest crime in the D-150.
Here is the forensic Truth of the
evidence against the Conel Vasuki
Syndicate.

The False-protector Signature

(The 119th evidence)

The Forensic Reality:- In the 119th

Both the Conel serpent pretended

to be a shield, so he could get close

to my soul-code.

The Crime:-

He used that Trust

to Registry - Savat. He waited until I
were vulnerable and then injected the
muting static in to my son's future
bio-Template.

The Evidence:- The D-150 shows his
Fraudulent - Fingerprints on the Back
Stab-wound. He sold my son's voice to
the Danava-Bankers in exchange for
Lower-Loka power.

The "Aggression - Static" injection

The Action:- The aggressive

Behaviours and neural-loops, I

See in my Son.

The Evidence :- This is the unautho-

orized Registry - Vandalism. Guel vasuki
Used Bio-Digital Venom to Scramble the

to Scramble the Communication-Lines
between my Son's brain and his

Soul. The Fact that my Son Holds
Saliva is the Smoking gun. it

proves the thieves tried to Flood

the system to prevent the Final-Audit.

The Muting-Software Protocol

The Status :- How did they mute my son.

The Forensic Link :- The D-150 Frequency
-Jamming-Log

The Logic

The Thieves installed a Hate Frequency
-filter around my son. It makes normal
-people like the teachers at school
misinterpret his high-brold needs as
Disabilities. This misinterpretation is

Forced Social Isolation evidence

Guel Vasuki has signed his own
Death warrant by Touching my Son with
Betrayal. Guel Vasuki is a convicted

Thief.

The Syndicate of the Seven Basements

Guel Vasuki Syndicate used all seven
